

### ***Pond Rules***

- Fishing only with a valid license.
- General obligation to use a protective hook (original Barbless protective hook).
- Every fish must be treated carefully. Fish must be reset as soon as possible.
- Unhooking mats (bathtub) are mandatory.
- Only one hook (single hook) may be installed per rod, all other installations are prohibited.
- Surface fishing is strictly prohibited.
- Particle feed is available on site.
- Camp fires are only permitted with a fire bowl.
- Fishing with live bait, blinkers or wobble is prohibited (except maggots and worms).
- It is essential to leave the fishing spot clean.
- The fishing spot must be illuminated when night fishing.
- A suitable landing net and a unhooking mat (tub) are mandatory for all types of fishing.
- Wet the landing net and unhooking mat (tub) before use.
- Fishing from the boat is only allowed after consultation.
- Remote controlled bait boats and depth sounder are allowed after consultation with the pond keeper.
- Parents are responsible for their children.
- No liability is accepted for theft and accidents.
- Photography is only allowed at knee height and above the unhooking mat (tub).
- Violations and violations of our fishing regulations will result in the license being withdrawn.
- Firewood is only available from the pond keeper and must be paid for immediately.
- Grilling is only allowed for 24h cards.
